

NORTH POINT

CABINETS®

Thoughtfully Designed, Carefully Crafted

The NorthPoint Cabinetry Solution

NorthPoint Cabinetry features a wide array of **QuickBuild®** and assembled cabinet designs, providing value with a quality, custom look. Cabinets are in stock, shipping quickly from our strategically located warehouses across the U.S.

- Unique dovetail and pocket screw cabinet construction for sturdy and fast assembly
- Robust replacement parts program
- Free freight on most orders
- Dedicated customer service support

For more information, visit [NorthPointCabinetry.com](https://www.NorthPointCabinetry.com) or scan the QR code.

With 6 dedicated warehouses across the country, NorthPoint Cabinetry QuickBuild® cabinets typically ship within 48 hours and arrive in 2–3 business days.

The Quick Advantage

Ships QUICKLY, Assembles FAST

NorthPoint Cabinetry offers a **quick** advantage for you and your customer by making it fast and easy to design, order, ship, and assemble cabinets. **Why does this matter?** With a reduction in time and labor, you can complete more jobs and see significant savings.

Some specific ways the NorthPoint Cabinetry Quick Advantage can save you time & money:

- **Quick to Design**

Our cabinets are available in Cyncly Design Flex and ProKitchen software, making kitchen design fast and easy.

- **Quick to Order**

Use our quoting tool to build an order, then easily place orders on our website at NorthPointCabinetry.com, or via email or fax.

- **Quick to Ship**

With 6 dedicated warehouses, QuickBuild® orders typically ship in 48 hours and Assembled orders within 10 business days.

- **Quick to Assemble**

With our **QuickBuild®** cabinets, the average assembly time per cabinet is 8 minutes*; you can build a medium-sized kitchen in less than half a day. Or save time and labor by ordering cabinets assembled. See page 6 for more information.

Need help designing kitchens?

We've partnered with Kitchen365 to deliver professional designs for NorthPoint Cabinetry. Faster turnarounds. Fewer headaches. Kitchen365 is a trusted kitchen design service with professionally trained kitchen designers who have deep industry knowledge and are ISO-certified.

Log into www.HardwareResources.com and click on the button for Kitchen Design Services to get started.

*Specialty cabinets may take longer than average to assemble.

Quality Comes First

You can trust NorthPoint Cabinetry for your customers. Our cabinets and hardware have gone through rigorous third-party testing and meet the KCMA standards. With quality details throughout and the features your customer will appreciate, NorthPoint Cabinetry is built to last.

IT STARTS WITH QUALITY WOOD

Just as a healthy tree needs strong roots to thrive, a quality cabinet requires premium lumber at its core. The quality of wood is of utmost importance, so our cabinets feature all-wood construction with a plywood box and solid wood face frames.

STRUCTURAL INTEGRITY

Meaningful yet hidden reinforcements—like solid wood corner blocks and strategically placed pocket screws—help reinforce the structural integrity of the cabinet. Take comfort that these well-constructed cabinets will stand the test of time.

THOUGHTFUL CRAFTSMANSHIP

These cleverly designed cabinets boast an innovative dovetail and hidden pocket screw construction that provides robust quality and quick, accurate assembly.

PRETTY ON THE INSIDE, TOO

NorthPoint Cabinetry features a clean and beautifully finished birch interior that enhances the cabinet's luxurious, high-quality appeal.

PREMIUM DRAWER BOXES

Dovetail joinery is the hallmark of high-quality drawer boxes. The UV finish of the drawer boxes coupled with the dovetail construction, and smooth concealed slides are synonymous with quality furniture.

HARDWORKING HARDWARE

Our cabinets feature discreet compact hinges and concealed undermount slides. The hinges and slides have been third-party tested and exceed industry standards. The Premier Collection (shown) features full extension slides, allowing for easy access and use of the whole drawer.

STURDY SHELVES

NorthPoint Cabinetry shelves are constructed from an impressive $\frac{3}{4}$ " thick veneered plywood, preventing sagging over time under the weight of normal use. Shelf height is adjustable, so the homeowner can optimize storage space.

Expert Finishing

Count on consistent, high-quality finishing. Our state-of-the-art manufacturing facility utilizes a multi-step professional finishing process. This meticulous process maintains a high degree of color and application accuracy from cabinet to cabinet, ensuring a beautiful run of cabinets when installed.

What are QuickBuild® Cabinets?

Dovetail + Pocket Screws = QuickBuild®

Basic assembly of our cabinets is as simple as sliding the panels together and securing with pocket screws. You don't need extra fasteners to hold the panels in place, and conveniently placed pocket screws will reduce the average time you spend on each cabinet.

How fast can you build a cabinet?

One of our cabinets takes about 8 minutes* to assemble (many do it in 4). You can build a kitchen or bathroom in record time!

Scan the QR code to view our Quick Assembly Video.
