

NORTH POINT

CLOSETS™

2026 Closet Specifications & Pricing

About Us

Today's homeowners expect more from their closet spaces than simple hanging rods and basic shelving. As floor plans become more open and storage demands increase, well-designed closets have become a critical component of a functional home and a key opportunity for designers and builders to add value. Thoughtful storage solutions not only improve daily usability but also elevate the overall perception of quality in new builds and remodels.

Homebuyers and clients consistently prioritize organized, adaptable storage that maximizes every inch, especially in primary suites, kids' rooms, and secondary bedrooms where clutter can quickly overwhelm. Designers need flexible, modular systems that integrate seamlessly into a range of project types and budgets. Builders and installers, meanwhile, need product lines that reduce labor time, minimize installation complexity, and stay available when timelines shift. A well-designed closet system checks all these boxes: it enhances functionality, supports better project outcomes, and adds value without adding stress.

NorthPoint Closets™ make it easy to add storage to bedrooms and bedroom closets. With an improved assembly method featuring QuickSnap™ connectors, closets assemble in less time and without tools, leaving no visible fasteners for a clean look. Designed for quick installation, these closets screw right into studs, no additional hanging system needed.

A variety of widths, heights, depths, and configurations are available in two finishes: White and Mocha. Floor-mount and wall-mount options both offer hanging storage, shelving, and drawers in modular units that combine easily to create a personalized storage system. Design projects quickly using the design library in 2020 Design Live or our closet design tool powered by 17squares, available on HardwareResources.com. Products are in stock and ready to ship, delivering quickly to keep project timelines on track.

With NorthPoint Closets, Hardware Resources has made it easy to add functional storage to closets—quick toolless assembly, simple installation, and modular sizing, all backed by a company that's ***Built Around You.***

The Quick Advantage

Ships QUICKLY, Assembles and Installs FAST

NorthPoint Closets™ offers a **quick** advantage for you by making it fast and easy to design, order, ship, and assemble closets. **Why does this matter?** With a reduction in time and labor, you can complete more jobs and see your business grow.

Some specific ways the NorthPoint Closets Quick Advantage can benefit your business:

- **Quick to Design**

Modular units combine to make a configurable design; products are available in 2020 Design Software so that you have access to the right tools to create amazing spaces

2020

- **Quick to Order**

Use our quoting tool to build an order, then easily place orders on our website, or by contacting a live customer service agent

- **Quick to Deliver**

In-stock, ships within 48 hours, delivers in days

- **Quick to Build**

QuickSnap™ connection system makes assembly fast and easy, much faster than traditional cam locks and doesn't require experienced labor

- **Quick to Install**

Just screw into studs—no additional hanging system required; hardware and instructions included

For more information, visit NorthPointClosets.com or scan the QR code.

The Harbor Collection

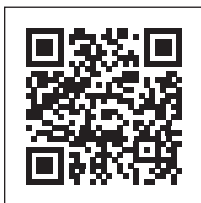

Where aesthetic meets functionality. High-quality finishes with clean interiors create the perfect frame to let your client's clothing and accessories take center stage. Available in two trendy finishes with premium features that back our commitment to quality.

Closets are available in two colors - Mocha and White

Quality Comes First

You can trust NorthPoint Closets for your customers. Our closets and hardware have been engineered with quality in mind. Every detail is thoughtfully designed to deliver strength and functionality. Built with care, these features ensure dependable performance and quality you can count on.

Strong Connectors

Our QuickSnap™ connectors are designed to deliver hidden and durable reinforcement. Installation is a breeze with a seamless snap-in-place connection that requires no extra tools.

Structural Integrity

Meaningful yet hidden reinforcements—high quality, $\frac{3}{4}$ " furniture board casework and 1" plywood support rails—help reinforce the structural integrity of the closet.

Clean Interiors

Unlike cam locks, our closet system connectors remain out of sight, so your customers can admire their closet without seeing how it's connected.

Adjustable Shelves and More

Add adjustable shelves, closet rods, or drawer boxes to frame units for more personalized storage.

Durable Finishing

Built to last, our scratch-resistant Thermally Fused Laminate surface creates a professional and durable finish. The laminate is carried through all elements of the closet (including drawers and adjustable shelves) for a seamless, polished look.

Weight-Rated for Everyday Life

When it comes to a closet, your customer's biggest worry should be about what clothes go in them. That's why our shelves and rods are rated to withstand weighty wardrobes.

Hardworking Hardware

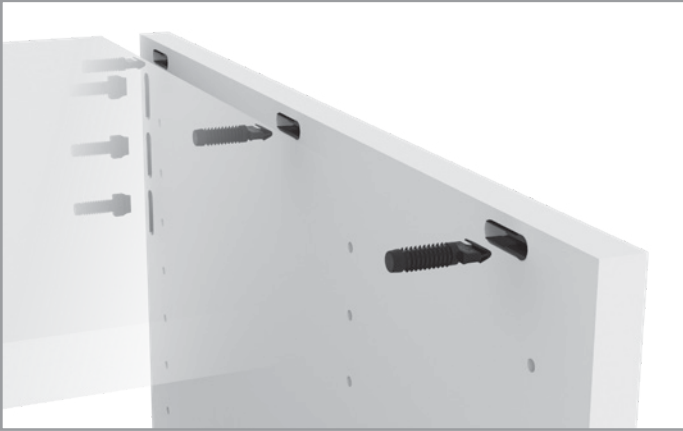

Our closet modules are designed with strength and performance in mind. From HR MAX™ full-extension, soft-close, ball bearing drawer slides with a 100 lb weight rating to chrome-plated steel oval closet rods, our hardware is designed and tested to not only meet but exceed industry standards.

Protective Packaging

The first step toward creating a quality closet is receiving undamaged components. NorthPoint Closet module packaging is engineered to withstand the normal impacts of shipping, protecting the product from our door to yours.

Build Closets in a SNAP with our QuickSnap™ Connection System

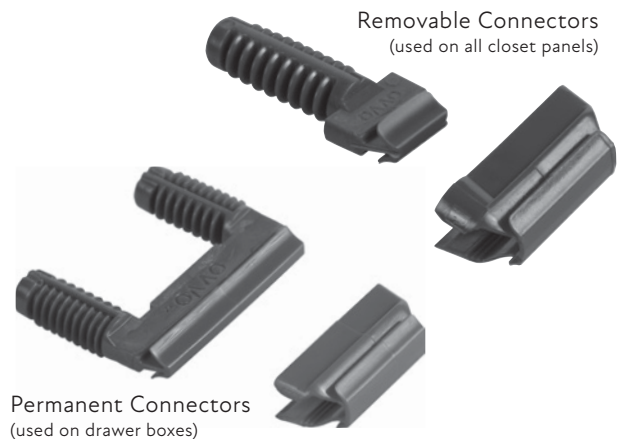

In two simple steps,
assemble a closet
lightning fast.

1. Align the male connector with the female housing counterpart.
2. Press to snap the panels together.

Build an average size primary closet in less than half a day!

Why QuickSnap™ Connectors are superior to cam locks:

- QuickSnap™ connectors are made from high tensile strength material—the same material used to make aerospace flight components.
- QuickSnap™ connectors come pre-inserted into the panels. There's no need to worry with inserting and aligning cam locks. This reduces the fuss over handling small parts that can slow assembly.
- QuickSnap™ connectors won't strip or misalign like traditional cam locks.
- QuickSnap™ connectors can be easily disassembled if needed. Simply slide the panels in opposite directions to release the panels from each other.

Scan to see how easy it is to
assemble closets with our
QuickSnap™ Connection System!
<https://delivr.com/2zt2q>

NorthPoint Closets is built on a simple idea: customization shouldn't be complicated. Our modular system gives you the flexibility to create storage that fits your space, your style, and your needs—whether you prefer to design your own or choose from ready-made solutions.

OPTION 1: Build Your Own Module

Mix, Match, and Make it Yours

With interchangeable frames, shelves, rods, drawers, and accessories, you can mix and match components to build your ideal configuration. Each frame is designed as the foundation of a section; add shelves for folded clothing, rods for hanging, or specialty accessories for maximum functionality. It's an intuitive, building-block approach that lets you create a truly personalized closet with ease.

OPTION 2: Curated Combinations

Pre-Configured Modules for Quick Selection

If you want a faster, simpler way to shop, our Curated Combinations deliver designer-approved layouts without the guesswork. Each Curated Combination consists of thoughtfully prepared, grouped components that, together, create a complete closet module.

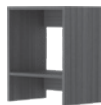

Wall Units

Available in 14" depth

Frame Only Units

Widths: 18", 24", 30", and 36"
Heights: 24", 48", and 72"

Curated Combinations: Frames with Rods

Widths: 18", 24", 30", and 36"
Heights: 24" and 48"

Curated Combinations: Frames with Shelves

Widths: 18", 24", 30", and 36"
Heights: 24", 48", and 72"

Add drawer boxes, adjustable shelves, or rods to frame units for more configurability.

Floor Units

Available in 14" and 20" depths

Frame Only Units

Widths: 18", 24", 30", and 36"
Heights: 34", 72", and 84"

Curated Combinations: Frames with Rods

Widths: 18", 24", 30", and 36"
Heights: 72" and 84"

Curated Combinations: Frames with Shelves

Widths: 18", 24", 30", and 36"
Heights: 34", 72", and 84"

Curated Combinations: Frames with Drawers

Widths: 18", 24", 30", and 36"
Heights: 34", 72", and 84"

Closet Lineup

Sold unassembled. Widths are based on inner dimensions, measured from inside edge to inside edge. Panels are 3/4" thick.
Wall anchors and stud screws are included.

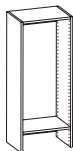

For Curated Combinations, accessories are packaged separately from the frames, so you will receive multiple boxes to complete the module.

Closet Care & Cleaning

General Care

- Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of materials and finishes.
- Avoid excessive heat or moisture near closet panels, drawers, or shelves.
- Always handle drawers gently to prevent misalignment or hardware damage.

Cleaning Instructions

- **Routine Cleaning:** Wipe surfaces with a soft, damp cloth. Immediately follow with a dry, clean cloth to remove any excess moisture.
- **Mild Cleaning Solution:** If needed, use a mild dish soap diluted with warm water. Test on a small, inconspicuous area first.
- **Do Not Use:** Harsh detergents, bleach, ammonia, abrasive pads, or solvent-based cleaners, as these can damage the surface finish.
- **Hardware:** Clean hardware with a soft cloth. Avoid spraying cleaners directly on hardware.
- Use a clean microfiber cloth for dusting.
- For fingerprints or smudges, use a mild non-abrasive cleaner formulated for laminates.
- Avoid high-pressure water, steam cleaners, or wax-based polishes.

Drawers, Shelves, and Connectors

- Periodically check that any visible mounting screws are secure.
- Do not overload shelves or drawers beyond the recommended weight capacity.
- For smooth drawer operation, ensure glides are free of dust and debris.

Warranty Considerations

Damage caused by misuse, neglect, improper cleaning products, or environmental conditions outside of recommended ranges is not covered under warranty. Please refer to your product warranty documentation for full terms and exclusions.

NorthPoint Closets Dealer Online Sales Policy

Hardware Resources actively supports the advertising and promotion of its NorthPoint Closets products by authorized NorthPoint Closets dealers. However, Hardware Resources has determined that the NorthPoint Closets brand will not be sold online. This policy defines how NorthPoint Closets can be displayed online with the intention of promoting sales and driving traffic in-store.

Upon request, Hardware Resources will provide authorized dealers a media package including logos, images, digital catalogs and brochures, and marketing copy that may be used to advertise and promote NorthPoint Closets online. These assets will be provided only after the dealer signs the Image License Agreement Form.

What is allowed:

1. Use of the NorthPoint logo
2. Use of approved marketing copy provided by Hardware Resources
3. Use of approved digital assets provided by Hardware Resources
4. Links for download of the NorthPoint Closets Homeowner Selection Guide and Specification Book
5. Informational landing pages on the dealer's website

What is not allowed:

1. No online retail sales
2. No pricing is to be shown online
3. Individual SKU images cannot be shown online
4. Product drawings cannot be shown online
5. The NorthPoint Specification Book with pricing PDF cannot be shown online

White labeling/private labeling of the product is allowed; however, the use of all NorthPoint Closets digital assets and product identifiers (brand name, part number, collection names, and finish names) must be replaced with the dealer's own digital assets and product identifiers at their own cost. Hardware Resources will not drop ship closets outside of the dealer's geographic area (100 miles from the dealer's location).

Hardware Resources is committed to proactively finding and dealing with any violators of the above policy. Policy violations will result in account suspensions and customer terminations.

For questions, please contact your sales representative.

NorthPoint Closets Warranty

WARRANTY COVERAGE

Hardware Resources Inc. warrants to the original consumer purchaser that our NorthPoint Closets will be free from unnatural defects in material and workmanship under normal use and proper care for the period of ONE (1) YEAR from the date of original purchase. This Limited Warranty applies only to the Original Purchaser and is not transferable to any other party. Limited Lifetime Warranty on Drawer Slides and Closet Rods to the original purchasing consumer as long as they own the product. We warrant that the drawer slides and closet rods shall be free from defects in material and workmanship under normal use.

WARRANTY LIMITATIONS AND EXCLUSIONS

This warranty does not apply to any damage that has occurred due to normal wear, accident, misuse, improper handling of the product, **exposure to moisture or extreme temperatures, or other environmental factors in your home, including smoke damage, failure to maintain, or acts of God.** This warranty does not apply to product that has been altered, modified, or improperly installed to industry standard. Professional installation required. Any homeowner assembly and installations will void all liabilities of Hardware Resources.

WARRANTY PERFORMANCE

In the event a manufacturing defect occurs within the limited liability warranty period and coverage, Hardware Resources, Inc. will replace the damaged component with a comparable component that is either equal to or greater in value than the original component at no charge. This warranty is limited to the replacement of defective components only and does not include service, labor, or transportation charges related to the removal or installation of the defective or replacement components. This warranty does not apply to any products used in conjunction with the closets, such as counter tops, appliances, organizers, or lighting fixtures. Hardware Resources will ship the replacement product, component or part thereof to the original consumer purchaser via ground shipper or freight carrier, at Hardware Resources' sole discretion. Such replacement is contingent upon the current product offerings with the Closets line at time of warranty claim. If the affected product is no longer available, Hardware Resources reserves the right to replace the affected component with a new component of the same style and/or uniform appearance. Hardware Resources makes no guarantee that replacement closets or parts thereof will exactly match the finish or appearance of the remaining components. Replaced product shall be warrantied for a period equal to the remainder of the original Limited Warranty on the original product or for NINETY (90) days, whichever is longer.

CLAIMS

All claims must be submitted in writing and must specify the defects present in the closets and accessories. To initiate a claim for defective closets and/or accessories, contact your builder, dealer, distributor or contractor who installed and sold the product. If that party is unknown or you have difficulty obtaining assistance, contact: Hardware Resources, Inc. Customer Service Dept., 4319 Marlena Street, Bossier City, LA 71111.

WARRANTY DISCLAIMER

THIS WRITING IS THE COMPLETE AND EXCLUSIVE REMEDY FOR ANY ORIGINAL CONSUMER PURCHASER FOR BREACH OF WARRANTY. THE STATEMENT OF THE EXPRESS WARRANTIES PROVIDED HEREIN IS IN LIEU OF ANY AND ALL OTHER EXPRESS AND/OR STATUTORY WARRANTIES, TO THE EXTENT PROVIDED BY LAW. IN NO EVENT SHALL HARDWARE RESOURCES BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES TO ANY ORIGINAL CONSUMER PURCHASER OR A THIRD PARTY, INCLUDING BUT NOT LIMITED TO DAMAGES ARISING FROM PERSONAL INJURY, LOST PROFITS, LOSS OF BUSINESS OPPORTUNITIES, LOSS OF PROPERTY, ECONOMIC LOSS, STATUTORY OR EXEMPLARY DAMAGES, WHETHER FROM NEGLIGENCE, WARRANTY, STRICT LIABILITY OR OTHERWISE. Ordering Made Easy

NorthPoint Closets offers 3 convenient methods for easy order placement.

1. Online: www.NorthPointClosets.com
2. Email: Orders@NorthPointClosets.com
3. Fax: (318) 742-9513

We recommend placing orders online for faster processing and delivery, and to easily confirm products are in stock.

Order Placement

Place your online order by visiting www.NorthPointClosets.com. Login, select the items you wish to order, and simply checkout.

Place an email or fax order by obtaining the closet order form or Excel quoting tool by logging in to the website. It can also be requested from Customer Service or your Sales Representative. Submit the completed order form to the email address or fax number listed above. 2020 material lists are also accepted as long as NorthPoint Closets' item number nomenclature is used.

For questions about your order, call (800) 463-0660. Our friendly Customer Service Representatives are available to help you from 7:00 am until 6:00 pm Central Time.

Order Processing

Please allow up to 24 hours from order confirmation for most NorthPoint Closets orders to be processed in our warehouse. Will Call orders are accepted and also require additional time for processing. You will be notified when your Will Call order is available for pickup. Will Call orders are available for pickup at our facility between the hours of 8:00 am and 4:00 pm local warehouse time. Contact Customer Service should you need to change your order or to confirm your order is ready for pickup.

Returns

All requests for returns must be made within 60 days of invoice date. Returns are subject to a 20% restocking fee unless the return is due to Hardware Resources' error or a quality issue.

To request a Return Goods Authorization (RGA) contact Customer Service.

1. Phone: (800) 463-0660
2. Email: ReturnRequest@HardwareResources.com
3. Fax: (318) 742-9513

Include the item number, quantity, and reason for return when requesting an RGA. Items should be in original packaging, unassembled, and shipped with care to avoid damage. Items received with damage may not be credited.

In the event that the return is due to an error by Hardware Resources, return shipping instructions will be provided. Otherwise, shipments are the Customer's responsibility (including shipping fees) and should be shipped via a method which allows shipment tracking and proof of delivery.
